

Shipping Policy

Free shipping to USA, extra fee for international shipping. if we do not ship to your country contact Aramex shipping company and use shop and ship service or send us message on our facebook page (link to facebook page on our contact & home page) and we will do special shipping for you.

We use USPS. After you place your order we will send you confirmation email that we received your order then we will send you another email with your tracking number in 2 to 4 days. Follow your tracking number to know when you will receive your order. once we see that your order is delivered on USPS website we will be sure that you received your order.
